December 2023

A Publication of The Commercial Collection Corp. of NY, Inc.

## Season's Greetings from our President

As we close out 2023, I want to take a moment to thank all of the clients, business partners and employees who have contributed to our success this year. This has been a fantastic year for CCC and we could not have done it without each of YOU! Thank you for your loyalty and your trust.

I'm pleased to report that the CCC brand is stronger than ever. Our team continues to go to market in new and innovative ways and we are helping a record number of companies lower their DSO and improve profitability and cash-flow in new markets while continuing to provide best in-class services across all markets.

As we step in to 2024, CCC will continue to expand our presence in North America and abroad. Each of our Success Team's will have the full support of our organization as they work diligently to provide timely and thoughtful solutions for our clients.

In closing, I wish all of you a very happy, healthy and prosperous new year!

*From our family at CCC to each of yours, Happy Holiday's!*
